

Crosstex International receives 2013 New York Excellence Award

February 17, 2014 - Crosstex International, Inc., a leading global manufacturer of infection control and prevention products for the healthcare market, has been selected for the 2013 New York Excellence Award amongst all its peers and competitors by the US Institute for Excellence in Commerce (USIEC).

Each year the USIEC conducts business surveys and industry research to identify companies that have achieved demonstrable success in their local business environment and industry category. They are recognized as having enhanced the commitment and contribution of small businesses through service to their customers and community. Small businesses of this caliber enhance the consumer driven stature that New York is renowned for.

Crosstex International, a subsidiary of Cantel Medical Corp. (NYSE: CMN), has consistently demonstrated a high regard for upholding business ethics and company values. This recognition by USIEC marks a significant achievement as an emerging leader within various competitors and is setting benchmarks that the industry should follow.

About USIEC

The USIEC is a leading authority on researching, evaluating and recognizing companies across a wide spectrum of industries that meet its stringent standards of excellence. It has spearheaded the idea of independent enterprise and entrepreneurial growth allowing businesses of all sizes to be recognized locally and encouraged globally.

Particular emphasis is given to meeting and exceeding industry benchmarks for customer service, product quality and ethical practices. Industry leading standards and practices have been developed and implementation of the same has been pioneered by the dedicated efforts of the business community and commerce leadership. More information on USIEC can be found at www.USIEC.org.
